

Obituary

Born: Sunday, April 16, 1961

Died: Sunday, May 5, 2019

Mark Ruben Ceballos was born on April 16, 1961 in Flagstaff, Arizona. Mark passed away in his sleep on May 5, 2019 at the age of 58.

Mark was the first of three children born to his parents, Ruben Ceballos and Mary Frances Lopez Valdez. Mark had a spark for life like no other child that followed him throughout. He grew up in Flagstaff with his family where he learned to love the forest and excelled in youth sports. He graduated from Coconino High School in 1979 earning letters in wrestling and football. Mark enjoyed and took pride in 35 years of work in the world of concrete. All around town in every nook and cranny of shops, businesses, schools and homes, you know that Mark was there. Mark enjoyed the outdoors more than anything. He loved rifle and archery hunting, wood cutting, varmint hunting and the forest in the moonlight. Highlights of his big fish tales were catching a Mako Shark off the California Coast and deep-sea fishing in the Baja Pacific Coast with his son Chad. Sky diving was his ultimate thrill. Mark reveled in and cherished the company of family and good friends. He was loved by many and will be truly missed.
