Ray and siblings Andrea, Jonathan, Ryan, Rollie and Nina, his partner Lindsey and many loving family members, as well as treasured friends. Michael was able to talk to his Savior and ask forgiveness prior to his sudden death which gives his family great relief.

Michael lived a very real life striving to be the very best at everything he was involved in. As a graduate of Coconino High School, attending college and having achieved employment as a helicopter mechanic with Boeing Transportation, which he deeply enjoyed.
